PRESIDENT'S WELCOME TO THE NEW MEN

The University of North Carolina extends her heartiest welcome to the men who will make up her entering class this fall. This welcome is in no sense perfunctory; it comes from the hearts of students and faculty alike.

You are about to enter the fellowship of Carolina men and you should enter it with a definite purpose in mind. That purpose should be to strive for the best things, the finest things in every phase of your life here.

You want to make up your mind, first, to come out of college physically a better man than you enter it. Set your physical standards high;. do not be content to be anything short of the best physical condition.

Strive, too, for the best the college has to offer you in an intellectual way. All of college training is not to be found in books, but a very important part of it is. Determine to make your mind the most efficient and capable instrument you can; sharpen it to a keen cutting edge.

Remember, next, that unless your spiritual development keeps pace with your physical and mental development, your college life will be a failure. A successful college career must be great in the spiritual as well as in the material things. You will soon find that the men who are regarded by your fellows as outstanding successes are men who think first of service, and secondly only of self, men whose sense of spiritual values is deep and keen.

Make up your mind to achieve a fine and worthy college career for yourself. But do not forget that to do this you must learn to put the interests of the college as a whole above your own desires.

You want to do your part in making your class the best class that Carolina ever had. And a great class, like a great individual, must become great through service to the whole of which it is a part.

Don't wait to enter into the fine things that college has for you. Start at once to make the right kind of friends, to get the most out of your classes, to enter freely into the campus life.

And above all, come to your work and your play here with the determination to put every ounce of your power into all the worthwhile things you will find to do here. The man who comes to college in a half-hearted spirit had better not have come at all. You will have to pay the price of classroom and campus success in good, hard, clean work. Make up your minds now to pay it and to pay it gladly.

Sincerely yours,

H. W. CHASE,
President.

CAROLINA HONOR SYSTEM

By CHARLES R. JONAS

President Student Body, 1927-28

CHARLES R. JONAS

Government on this campus is the government of the governed,—the students. No constitution has ever been adopted here; no code of laws has ever been established ; no rules of conduct have ever been laid down. The standard set up and followed is what a gentleman would do under the circumstances. The campus being composed of gentlemen, it is eminently fitting and proper that such be the standard for measuring conduct.

It is government of, by, and for the students. It is government by public opinion; because we have no policemen on this campus, and any method of espionage is frowned upon. Whenever public opinion on the campus has said to a custom or practice, "you are wrong," it has been doomed. Whenever any student, by his action or conduct, has violated the code of a gentleman; whenever any student is felt by the public opinion on the campus to have degraded the title of gentleman, he has placed himself without the pale, unworthy of remaining in the University, and he is asked to leave by the Student Council, the administrative organ of the moral University.

No one will contend that we have a perfect honor system here. We haven't. That is a goal in the future, an ideal, something ultimate; but no one will deny that we have gone a long way from nowhere to an approach to that ideal, and it has so operated in the past as to set Carolina apart from the other institutions in this Commonwealth and in this Southland as something distinctive. All down through the years we have striven to approach that ideal a little closer. 'Twould be tragic to stop now and turn back when the goal is almost in sight. Upon you men coming fresh from the state into this "public opinion" citizenship, rests the burden of carrying on the work your fathers and brothers began so well. How you accept this challenge from the past to "carry on" remains to be proven. If you are weak and drag public opinion of the campus down to your level the University is, in that far, feeble. If you are strong, the University's life is increased. If you enter into the citizenship of this campus with the resolve that the work of the men who have labored in the past shall not have been in vain then the "Honor System" shall not become an empty phrase. I think it would be fine if the word could go out to the world that the Carolina men of 1931 affirm their faith in student government and the honor code and pledge their best efforts in coöperating to that end.

The Student Council is the Administrative organ of the student body. It sits as a court and hears cases of violations of the Honor System and metes out punishment according to the circumstances of each case. The council is composed of eight men, of which the President of the Student Body is *ex officio* Chairman; one representative from each of the three undergraduate classes, chosen by the class of which he is a member; one representative from each of the three schools of Law, Medicine, and Pharmacy; and one representative carried over from the council of the previous year.

CAROLINA—Carolina welcomes you, new men. When you join the students on her campus, you will sense about you a feeling of friendliness that soon draws you into the heart of a little community. There you will find a new freedom, both of thought and of action, a freedom which is given you with the understanding that you, as a gentlemen, will not abuse it. You will find a University which is training you for a life of service to your state—not a taskmaker who confines you to books. You will find a University which realizes the importance of the individual—not a factory which turns out graduates made-to-order. And it is these qualities—friendliness, freedom, service, individualism and loyalty that have won for the University the high position it now holds and which go to make up that intangible thing called the "Carolina Spirit."

WHAT TO BRING—When you are ready to pack your trunk for the trip to Chapel Hill, be sure to bring bed linen, a pillow, blankets, towels, and a laundry bag. Your room contains only the beds, chairs, tables, and chiffonier. It is best to pack some bed linen in your suitcase, for you may not get your trunk for a day or two. You will want pennants and pictures for the walls of your room. A rug or so for the floor, curtains for the windows, and a small study lamp for the table will make your room more attractive but are not essential. A dictionary is indispensable—bring yours and also any other books that you would like to have with you. Bring along a kodak if you have one, for you will want to take pictures of your new home. You will find use for all the athletic equipment you have—baseball and glove, tennis racket, white duck pants, gym shoes, etc.

THE TRIP TO THE HILL—Make your plans so as to reach the Hill some time during the day of September 19. There are four ways of reaching the University, by automobile, bus, train, or train-and-bus. If you come by auto or bus, you will find excellent roads leading to Chapel Hill. If you come by train, buy your ticket to Chapel Hill and check your trunk straight through. You will have to change trains at University Station, which is about ten miles from the campus. Many boys buy their railroad tickets to Durham aud go from there to Chapel Hill (twelve miles) on the bus. In either case give your baggage checks to one of the many transfer men who will be waiting when you get off the train, and he will deliver your trunk to your room. Be suro to take the man's name and address so you can look him up if your trunk is not delivered within two or three days.

AT THE HILL—The first thing to do when you reach the Hill is to get the key to your room—all rooms are locked. You can get this key at the Buildings Department (at the foot of the smokestack which can be seen at the right and rear of the Y. M. C. A.). If you wish, you may leave your suitcase at the "Y" while you get your key. If you do not have a room reserved, go to the Treasurer's office on the first floor of South Building. In case you cannot find your dormitory by the map in the handbook, the man at the "Y" will be glad to show you where it is. It is a good plan to fix up your room as soon as you can. Make it attractive with pictures and pennants, for it will be your home during the year. Get acquainted with your fellow classmates in the dormitory. The first few days before the upperclassmen arrive will be a good time for this. If you have time, it will be best to go to the Gym and get your physical examination Monday afternoon.

PLACE TO EAT—For the first few days it is a good idea to get your meals at the cafe or one of the several cafeterias. During this time you will have a chance to look around and see where you wish to board regularly. Swain Hall is the Universtiy profit-sharing dining room at which about one-fourth of the students eat; board costs $22 per month. There are numerous private boarding houses where board may be obtained for $25 to $39 per month. Student managers will be glad to sign you up for these.

FRESHMAN WEEK—The system of Freshman Week was inaugurated in order to introduce the new men to the University. The week's program begins Tuesday morning, September 20, at 9:00 o'clock, at which time all new men are to assemble in Memorial Hall. They will then be divided into small groups and for a period of three days will follow a definite schedule including physical examination, intelligence test, English placement test, library tour, special lectures on student traditions and the honor system, and individual conferences with a faculty adviser. Registration for courses will take place on Wednesday.

CAMPUS ACTIVITIES—After you get settled at Carolina, you will want to take part in some of the many campus activities. Go out for those things that you like to do, but be sure to include a variety of interests so as to have a well-rounded four years of college. The following outline of activities may help you in your choice.

Scholastic—(Honor Roll, Phi Beta Kappa.)

Athletic—(Freshman football, basketball, baseball, track, tennis, wrestling, boxing, Intra-mural sports.)

Religious—(Y. M. C. A., Churches, Sunday Schools, young people's organizations.)

Social—(Fraternities.)

Literary—(Tar Heel, Yackety Yack, Magazine, Buccaneer, Di and Phi Societies, Debating.)

Musical and Dramatic—(Playmakers, Wigue and Masque, Glee Club, Band, Orchestra, "Cheerios.")

Managing—(All athletic teams, all publications, Playmakers.)

Remember that Golden Fleece is the recognition of the well-balanced Carolina men who excel in some campus activity.

MISCELLANEOUS TIPS AND INFORMATION—*Athletics* is an important phase of college life. Go out for some team and do your best. Even if you don't make the first team you can make a place on the squad and, in so doing, get sufficient exercise, form new friendships, and be of service to your school. Be sure to attend all athletic contests and learn the songs and yells. *** While *fraternities* afford pleasure to their members, it is not at all necessary or even important that you become a member. The majority of students at Carolina do not belong to any fraternity, so do not feel hurt if you are not asked to join. If a fraternity rushes you, go slow, treat the members cordially but not over-cordially, and go to the house only when asked. Do not be in any hurry to make your decision, and by no means pledge yourself before Pledge Day. *** You should go to *Church* at least once every Sunday. The Chapel Hill churches are glad to welcome you, and you will find that church attendance is necessary for a well-rounded development. *** *Expenses* will run from $500 to $2,000, depending entirely upon the individual student. Probably the best way of handling the money is to have a checking account in your home town bank. If necessary, you can earn part of your expenses. The "Y" maintains a *Self-help Bureau* that finds jobs for boys during their spare time. About half the boys at Carolina are either wholly or partially self-supporting. *** There is almost no *hazing* at Carolina. Some of the upperclassmen may want you to furnish them with a little entertainment in the form of songs and speeches. If they do, take it like a good sport and you will get a lot of fun out of it yourself. *** Don't fail to *write home* often. The family will want to hear all about your new surroundings and will like to get letters when you do not have to ask for money. *** *Speak to all the fellows* you meet on the campus. Carolina is noted for her spirit of friendliness, and it's up to you to carry on the tradition. *** *Mail* is delivered to all the dormitories twice a day. *** *Laundry* is done by the University Laundry, a fee for it being included in the registration fee. *** If you are sick, the *University Infirmary* is the place to go. Dr. Abernethy will fix you up. *** You can buy your *books* at the Book Exchange, which is located in the "Y" building. *** Familiarize yourself with the *Library*. There you will find any book you would like to read and also a place to study. *** Consult your *faculty adviser* about any matter that troubles you; he will be glad to help. Any upperclassmen will also be glad to be of service to you. Consult your *dean* or *professors* concerning any important question dealing with the curriculum; from them you will be sure to get correct information.

FINAL TIPS—When you plan your year's work, be sure to see that you devote a part of your time to each of the four phases of the well-balanced life: mental, physical, religious, social. Remember that study is the principal object for which you came to college and do not neglect your work. It is far better to keep up with your courses day by day than to put off all work until the week before exams. Take time every day for some healthful exercise. Go to church on Sunday and take part in the religious life of the campus. Devote part of your time to cultivating friendships for they will mean a great deal to you. *** Take a little time off every once in a while to check up on what you are doing in college. See if you are working for things that are really worth while and not merely wasting your time in pursuit of something which, when attained, will mean nothing to you. A little time spent in thinking things over will save you a lot of trouble, mistakes, and disappointments.

AND, IN CONCLUSION—Remember that the Y. M. C. A. is ready to help you at all times. If you want information, advice, or help about anything under the sun, go to the "Y" and you will get what you want. The "Y" slogan is: "If we can't help you, we'll certainly find some one who can."

THE YOUNG MEN'S CHRISTIAN ASSOCIATION OBJECTIVE

1. "To lead students to faith in God through Jesus Christ as their Divine Lord and Savior, according to the Holy Scriptures."

2. "To lead them into the membership and service of the Christian Church."

3. "To promote their growth in Christian faith and character, especially through the study of the Bible."

4. "To train them for work and leadership in applying the principles of Christ to the problems of human society."

5. "To win their life devotion to the purpose of Christ for the evangelization of the world."

AGE AND EXTENT—The Young Men's Christian Association is the largest student organization in the world. It is operating in 700 schools in the United States with a total membership of over 79,000 students.

The first Y. M. C. A. was organized by Sir George Williams in 1844, in London, England. The first student "Y" was established in the U. S. in 1857, at the Universities of Michigan and Virginia. It was established at the University of North Carolina in 1860.

North America has 2085 Y. M. C. A.'s, including all types, with a total membership of 925,000. There is a total of 9,000 Y. M. C. A.'s in the world, distributed over 48 different countries, with a total membership of 1,500,000 men and boys. There are 6,000 employed Y. M. C. A. Secretaries in the world. The total value of all Y. M. C. A. buildings and property in the world is approximately $200,000,000.

MEMBERSHIP—Membership is based on the above Objective of the Young Men's Christian Association in general. Those accepting this statement in full are known as *ACTIVE* members and are eligible to all privileges of the local Association, including office-holding. Those subscribing to these principles only in part, are known as *ASSOCIATE* members, and are entitled to all privileges of the local Association, except office-holding.

THE Y. M. C. A. BUILDING—The "Y" building is located in the very center of the campus, and stands as the "Community House" or "Campus Club" for the free use of the entire student body. It is the "meeting place" of the campus. You are urged to make this your "home" from the first day you land in Chapel Hill.

The present "Y" building is entirely inadequate to meet the demands of a student body of over 2,500 men, and it is planned to proceed with plans for new and larger quarters in the near future. This little building was erected 25 years ago out of funds specially raised by the students and faculty of the University. Hundreds of people made contributions to the fund for the present building.

FINANCIAL SUPPORT OF THE UNIVERSITY Y. M. C. A.—The University Y. M. C. A. has an annual budget of $12,000. One-half of this amount comes as a cash appropriation direct from the University administration. The remaining half is raised by the student Cabinets and Board of Directors through means of free-will contributions from students, faculty, alumni, and friends of the university.

The student body, of over 2,500 men, is of course the largest source of income for the amount the Cabinets raise. Of this $6,000 the student body is expected to contribute about $5,000. All other campus activities, including season passes to athletic events, subscription to the four student publications, and intercollegiate debates are paid direct to the University Treasurer by every student who registers, along with his other University fees. In the registration line every student is given an opportunity to state whether he wishes to contribute to the Y. M. C. A., and the amount. He makes his pledge by signing a statement which authorizes the University Treasurer to add to his regular bill the amount he wishes to subscribe to the "Y." On this plan last year a large majority of the student body pledged from $1 to $15 each to the "Y."

THE 1927-28 PROGRAM—The University Y. M. C. A. is "An organization of the students, for the students, and operated by the students." It isn't expected that any one department of the program will appeal to all, or that all departments of program will appeal directly to any one student. So that with the entire student body in mind, the program must of necessity carry very great variety. The chief mission of the Association is that of "drawing out of every man the highest, and best, and fulest there is in human life." This program is the visible, workable means to that end.

In addition to the stated programs above, it falls to the "Y's" lot to receive visitors, handle long distance and telegraph calls, and take care of almost everything that comes to the campus not assigned to a definite department or person—a catch-all for general matters and community troubles.

CAROLINA FOOTBALL SQUAD

ATHLETICS

"Gus" McPherson
President Athletic Association

ATHLETIC ASSOCIATION—The Athletic Association is the organization back of all athletics at the University. Every student is a member of this association, and as such is allowed to attend all varsity and freshmen games played by Carolina teams on the home fields free of charge. A small fee is charged in the regular registration fee to cover membership in the Athletic Association and other athletic privileges.

OFFICERS OF ASSOCIATION—The officers of the Athletic Association for the following year are elected by a vote of the student body at the regular spring elections. These officers, elected last spring for 1927-28, are as follows:

Gus McPherson	President
Ed Butler	Vice President
Bill Sharpe	Representative-at-large

CAROLINA'S CHAMPIONSHIPS—In 1925-26 the University won two Southern championships, basketball and track. During the past year she annexed the Southern championship in cross-country and the state championships in track, baseball, boxing, wrestling, and cross-country, and tied for the basketball championship with Wake Forest.

ATHLETIC EQUIPMENT—The University is very well-equipped for athletics. Bynum Gymnasium is fitted out with gymnastic apparatus, swimming pool, baths, lockers, and indoor track. Besides this gym, a large building called the "Tin Can" is outfitted for basketball, indoor baseball, wrestling, boxing, etc. More than fifty tennis courts are provided for the use of students. Varsity football, baseball, and track teams use Emerson Athletic Field; two other fields are available for freshman and intra-mural athletics. The old stadium, located on Emerson Field, is the headquarters of the coaching staff. A new $275,000 stadium with a seating capacity of 24,000 will be completed for the Carolina-Virginia game in November 1927.

ELECTION OF CAPTAINS—The captain of each athletic team is elected by the letter man in that particular sport at the end of each season.

ELECTION OF MANAGERS—All freshmen who wish may try out for sub-assistant managerships of any sport. Each man trying out is assigned to work one day each week with the varsity squad and one day with the freshman squad. At the end of the playing season the Director of Athletics, Coach of the varsity sport, varsity manager, president of the Athletic Association, and the graduate manager shall recommend to the Athletic Council six men to serve as sub-assistant managers during their sophomore year. In like manner two from this group of men shall be recommended for assistant managers during their junior year. In the senior year one of these two shall serve as varsity manager and the other as assistant or freshman manager.

DORMITORY AND FRATERNITY ATHLETICS

(Intramural Athletics)

PURPOSE—The purpose of Intramural Athletics is expressed in the motto of the Department, "Every Student in Some Form of Healthful Exercise." Before the introduction of Intramurals the select few would compete and the masses would sit on the side lines and cheer. Now every student can take part in some competitive sport.

SPORTS—On the Intramural program there are twelve sports. In the fall quarter the annual Cake Race, Tag Football Leagues and a Tennis Doubles Tournament are held; in the winter quarter Basketball, Wrestling, Boxing, Indoor Track, and Soccer; and in the spring quarter Outdoor Track, Tennis, Horseshoes, and Baseball.

DORMITORIES—Each dormitory at the beginning of the school year elects an athletic manager, who appoints managers for the sports in his dormitory. These managers canvass the dormitory for players and they organize a team to play the games. Each week a schedule is mailed to the manager and he notifies the players of the games.

FRATERNITIES—Fraternities are organized similar to dormitories, and through the manager the teams are formed and scheduled.

THE TAR HEEL CLUB

"A Select Place to Eat"

Opposite Baptist Church on

Columbia Street

TROPHIES—There are trophies given to the winners of every championship. These trophies are given by the Grail, merchants in Chapel Hill, and people out in the State. The winner of the annual Cake Race is awarded a silver loving cup. At the end of the school year the high point man of Intramurals is awarded a silver loving cup by the Order of the Grail. Every man who competes in Intramurals has a record card in the Intramural office and from these cards the cup is awarded.

CAKE RACE—One of the most unique features of the entire Intramural program is the annual Cake Race which is held every fall. The ladies of Chapel Hill give 100 cakes and these are awarded to the first hundred men to cross the finish line. Last year 179 men took part in this event.

CHEER LEADERS—1926-27

SONGS AND YELLS—The songs and yells included in this section are used at all Carolina athletic contests and pep meetings. The enthusiasm with which they are given is indicative of the school spirit of Carolina.

CHEERIOS—The organized cheering unit of 250 men which leads the songs and yells is called the Cheerios. Many of these men are freshmen, as membership is open to all classes.

CHEER LEADERS—The chief cheer leader is elected at the end of each school year, by a vote of the student body, from candidates nominated by the Monogram Club. He appoints four juniors as assistant cheer leaders and three sophomores as sub-assistants.

HARK THE SOUND!

(Tune: "Amici.")

Hark, the sound of Tar Heel voices
Ringing clear and true
Singing Carolina's praises,
Shouting "N. C. U.!"

Chorus

Hail to the brightest star of all!
Clear in its radiance shine!
Carolina, priceless gem,
Receive all praises thine.

'Neath the oaks thy sons, true-hearted,
Homage pay to thee;
Time-worn walls give back their echo—
Hail to U. N. C.!

Though the storms of life assail us,
Still our hearts beat true,
Naught can break the friendships formed
At dear old N. C. U.

Refrain

I'm a Tar Heel born
I'm a Tar Heel bred,
And when I die
I'm a Tar Heel dead.

Fight, fellows, fight, fight! fight!
We'll win the game.

ON TO VICTORY

Marching, marching, marching down the field,
On, on, on, to victory.
Fighting, fighting, never will we yield
Till Virginia's team's all in.
Hail, all hail, to Captain Morehead's men,
Score, score, score again.
The day has come, we've got 'em on the run,
And we will win.

RISE, CAROLINA MEN

Rise, Carolina men!
Give a CHEER for the team,

A Word to Carolina Students

It is our desire that students coming to Chapel Hill should feel that they are making no change in their situation as regards church life. The Methodists of the whole State have builded our new church here to serve as a religious home for the hundreds of Methodist students who are annually in attendance at the University.

We hope that for you the church may serve as a shrine of the spirit, ever renewing the strength of the inner man. There can be no harmonious development of the individual without a well directed growth of the spiritual nature. The church at Chapel Hill should also serve as a laboratory for developing laymen for constructive service. You will have the opportunity to enter actively into any of a varied group of the religious activities.

You are invited to make frequent use of the social rooms where you may come at any hour of the day and find comfortable chairs, good reading material, and worthwhile friends. Please help us to serve you in any type of ministry that the Christian community offers to its people.

Walter Patten,
Minister.

Social Life at the Church

During the school year the Social Committee arranges for nine events. Once each quarter there is a social gathering for the entire group. The other occasions are presented by the smaller bodies, as the Epworth League, or one of the Sunday School classes. There are also social gatherings of the Methodist students in the various dormitories together with the Minister and Student Pastor.

Our church is your church. When you want to find friendly people, the kind you left at home, they are here. If you need help in your religious life, we believe you can find that here. When you have personal problems, call on the pastor or the student secretary in their offices at the church. In order that you may find opportunity for usefulness and growth in your Christian life, we heartily invite you to transfer your membership to this church.

ANDREW D. MILSTEAD, Student Assistant.

The Chapel of the Cross cordially welcomes all members of the Episcopal Church, and all others who care to worship with us. New students are asked to make themselves known to Mr. Lawrence or to Mr. Milstead as soon as possible after their arrival in Chapel Hill.

Our policy is to have as little organization as possible. We want the Church to be a spiritual home, and not a club. So our only organizations are as follows:

The Student Vestry, in general charge of all Church activities for students.
The Brotherhood of St. Andrew.
The Bible Class, taught by Mr. Milstead. All new men are urged to enroll in this class.
Young People's Service League.

Students who sing are invited to join the choir. Practice every Thursday at 7:15 p.m.

The Parish House is always open to students. On the ground floor there is a good reading room, provided with books and magazines, and upstairs there are a number of small rooms which offer excellent opportunities for study.

UNIVERSITY SERMON—Once a month the University itself brings to the Hill a strong minister from some distant city to deliver a special sermon on Sunday evening, at which time all local churches omit their regular evening service and make of the University Sermon an occasion for a Union Service.

CHRISTIAN CHURCH

REV. B. J. HOWARD

We extend to you a hearty welcome to Chapel Hill and to the fellowship of the Christian church. We want you to feel perfectly at home and that you are one of us while you are here. In order for you to do this, we have established an honorary membership for any and all who do not find their particular denomination represented among the churches here. This membership gives you a real church home but puts you under no obligations nor in any way conflicts with your church affiliation back home. We welcome you into our midst, and extend you a cordial invitation to be with us.

PROF. WOODHOUSE, Teacher Student Bible Class.

GALEN ELLIOTT, President Christian Endeavor.

CITY YOUNG PEOPLE'S UNION—This union is composed of the young people's societies from all churches in Chapel Hill. That is the Christian Endeavor of the Presbyterian and Christian churches; the B. Y. P. U., of the Baptist; Epworth League, of the Methodist; and Brotherhood of St. Andrew, of the Episcopal. The purpose of the union is to create and maintain a larger Christian fellowship among all young people of Chapel Hill churches. This is accomplished by having one union meeting each quarter with devotional program, and one with a social program.

COUNCIL OF RELIGIOUS WORKERS—This is an organization whose membership is composed of all past, present and future religious workers in the city. That is, all ministers, retired missionaries residing in the town, Y. M. and Y. W. C. A. secretaries, all ministerial students and all student volunteers. The Council of Religious Workers meets once a month throughout the calendar year. Its purpose is to provide rich fellowship among all religious workers, to coördinate the religious work and programs of the town as a whole, and to see that no religious need of the community at large goes unattended.

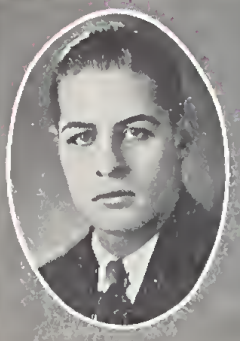
FRATERNITIES



BILLY FERRELL
PRESIDENT INTER-FRATERNITY COUNCIL

GROUP OF NEW FRATERNITY HOUSES

FRATERNITIES—Fraternities may be defined as bands of men joined together for companionship in college. At Carolina there are 29 national social fraternities, 5 local social fraternities, 11 professionals, and 2 women's fraternities. A national fraternity is one which has chapters at various schools, while a local fraternity consists of a single chapter. The professional fraternity chooses its members from only one school of the University (i.e. Law, Medicine, etc.), while the social fraternities choose men from any school. The majority of fraternities own or rent houses, in which the members live and, in some cases, have their meals.

BIDS—Membership in these fraternities is by invitation. Each fraternity bids those men who seem to be most congenial with that particular group. In selecting new members the various fraternities stress different qualities, such as: social standing, athletic prowess, literary and scholastic attainments, personality, character, wealth, and family "rating." Recommendations by alumni and fraternal connections in the family also play an important part.

RUSHING—The "rushing season" begins the first day of classes and continues for 26 days. During this period each fraternity entertains the freshmen to whom it considers extending bids. This entertainment usually consists of taking the men to the movies, to the drug store, on week-end trips, and having them around to the frat houses to play bridge and meet the "brothers."

PLEDGING—At the end of the rushing season there will be a "period of silence" lasting nearly two days, during which no fraternity man may rush or even talk to the freshmen. After this period the fraternity bids are given out through the Office of the Dean of Students.

INITIATING—Fraternity pledges may be initiated at the end of the winter quarter provided they have passed five courses, making at least two C's (85).
